NEW CITROËN Ë-BERLINGO & BERLINGO VAN

Like you, it does it all.

New Citroën Berlingo Van is your modern, sturdy and versatile business partner available in 2 body lengths.

The standard length M offers up to 3.9m³ load space, or you can increase capacity with the XL and up to 4.4m³. But your options don't end there...

Model trims

Enterprise Edition | Driver Edition | Crew Van Enterprise

Ë-Berlingo Van Enterprise models include:

Comfort and convenience

Air conditioning

Electric power assisted steering with height and reach adjustable sport steering wheel

Electric front windows with one-touch operation

Integrated steering wheel audio controls

Seating and interior features

6 way adjustable drivers seat with adjustable headrest: Includes lumbar adjustment and armrest

4-way Passenger Seat (Reach/Rake)

Full bulkhead compliant with ISO27956

Overhead storage shelf in cabin

12 volt socket in dashboard

Carpet floor in cabin

6 floor-mounted load securing rings

Technology & Entertainment

Smartphone Station, Bluetooth® handsfree, and USB socket

Citroën Connect Box with Emergency & Assistance system

Safety & Security

Remote central locking with deadlocking. Selective cab and load area locking via 3-button plip remote control key

Dashboard mounted central locking push button and auto locking above 7mph

Electronic Stability Control and ABS with Hill Start Assist, EBA and EBFD

Automatic activation of hazard warning lights on major deceleration

Driver and front passenger airbag, row-1 side airbag (Thorax) and row-1 curtain airbag

Seatbelts with action

Rear parking sensors

Cruise control with programmable speed limiter

Lane Keep Assist

Advanced Emergency Braking System

Intelligent Speed Assistance Speed Limit Information

Driver Attention Alert

Wheels, tyres and exterior style

Tyre pressure monitor

16 inch grey steel wheels with half hubcap

Puncture repair kit

Black door handles, exterior mirrors, front/rear bumpers and side rubbing strips

Sliding door rail cover – short black trim

Short Antenna (200mm)

Lighting and visibility

Two-speed and intermittent front wipers

Height adjustable halogen headlights with integrated daytime running lights (DRLs)

Automatic illumination of headlight control

High level third brake light

Electrically adjustable door mirrors with temperature sensor

Manually folding door mirrors

High Beam Assist

Doors and windows

Sliding door, left side (standard on M)

Twin sliding side doors (Standard on XL)

Unglazed asymmetric rear doors, opening to 180 degrees

Electric Vehicle Specific

Mode 3 charging cable with Type 2 connectors (6 meters) - for accelerated charging from wall boxes and dedicated public charging points

7.4kW single-phase onboard charger

AVAS: Acoustic Vehicle Alerting System. Generates a sound when travelling at low speed, audible outside the vehicle for pedestrian safety

Electric parking brake

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of matters including, but not limited to, any changes in legislation and/or any changes by the government). Please see our Prices and Specifications brochures or contact your local Citroën Retailer for the most up-to-date prices and specification details for all models. CO_2 figures above are for a standard vehicle without any additional optional equipment. The addition of optional extras could increase the certified CO_2 emission output.

* Driver versions benefit from the EXTENSO® seat which provides an additional load length of 1273 mm and increases the load volume by 0.6 m^3.

** Crew Van dimensions are based upon figures with the 2nd row seats in place. For information on dimensions with 2nd row seats folded, and 2nd row seats folded with EXTENSO® seat, please refer to Berlingo Dimensions page.

***WLTP figures shown are for comparison purposes and should only be compared to the fuel consumption and CO_2 values of other vans tested to the same technical standard. The fuel consumption achieved, and CO_2 produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO_2 figures.

† All Manufacturer's Recommended Basic Prices are exclusive of V.A.T., Delivery to Retailer and Number Plates, Government First Registration Fee and Vehicle Excise Duty.

^ The Government PiVG is worked out at 35% of the Base Vehicle Price (incl. VAT) and including any discounts applied up to a maximum of £2,500.

Legal notice ELECTRIC VEHICLES:

The range and electric consumption figures mentioned comply with the WLTP test procedure, on the basis of which new vehicles are type approved from 1 September 2018. They may vary depending on actual conditions of use and on different factors such as: speed, thermal comfort on board the vehicle, driving style and outside temperature. The charging time depends in particular on the power of the charger on board the vehicle, the charging cable and the type and power of the charging station used.

Wheels, tyres & driving characteristics							
16 inch 'Starlit' Black Alloy wheels	DZSC	£300[5]		£300[5]			
Full size steel spare wheel	LV00	£140[6]		£140[6]		£140[6]	

1 Not Compatible with Bulkhead/Bench Seat (ME08).

2 Standard on long wheelbase Panel Vans & all wheelbase Crew Van.

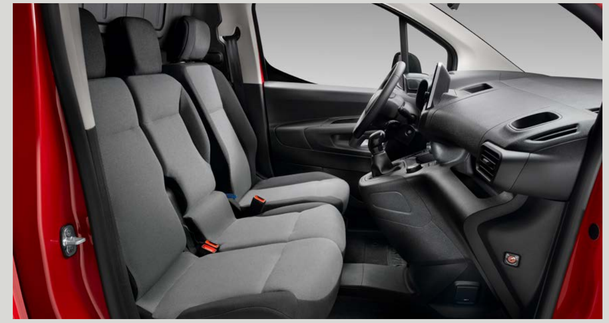
3 Not compatible with City Pack (N202).

4 11 kW three-phase onboard charger option is not recommended unless you intend to charge your New ë-Berlingo Van primarily from a source connected to three-phase power (unlikely if a home charge point). Using this charger in conjunction with a single-phase power source will actually charge your vehicle more slowly than the standard 7.4 kW single-phase onboard charger.

Extenso® cabin

The modular Extenso® cab features three seats plus useful flexibility and smart storage spaces. It also accommodates longer objects from the rear extending load length to up to 3.44 m.

Three individual seats in the front for your team.



The central seatback can be folded down to access a pivoting table.

Fold the side passenger seat up to provide additional space for transporting fragile loads in the footwell.

All Manufacturer's Recommended Basic Prices are exclusive of VAT.

Your mobile office

Along with a secure top box for safe storage of laptops, Berlingo Van also offers wireless charging and a 220V socket to help you work on the move.

5 Not Compatible with Worksite Pack (GA03). Not Compatible with Crew Van.

6 Incompatible with Worksite Pack.

7 Not compatible with L5K & P6K engine.

8 Special paint subject to extended lead times.

Citroën Connected Services
Vehicles equipped with the Citroën Connect box, have an embedded SIM card. So as well as the safety features of this system, a range of other 'connected services' which require data transmission, can be offered on a subscription basis. Additional terms & conditions apply to connected services, including customer acceptance of location sharing prior to activation. Subject to subscription - after you have taken delivery of your vehicle, please subscribe on: https://services-store.citroen.co.uk/

Telemaintenance: proactive monitoring of your vehicle & contact when something needs attention

Real Time Traffic & Speedcam Package: live data to enhance the Citroën Connect Nav system

Service availability depends on the hardware on each vehicle. To see if your vehicle is eligible for any services and subscribe, log in or create an account on https://services-store.Citroën.co.uk/

SpeedCam/Danger Zones package
The SpeedCam/Danger Zones package helps you identify situations which require increased attention by sending you both audible and visual alerts (subject to settings). Within the UK the service highlights different types of speed cameras, and red light cameras, as well as accident blackspots. While the service is operational across most of Europe, it adapts as necessary when travelling in different countries to ensure the local laws with respect to Speed Camera identification are followed. This option can be added to your Citroën Connect Nav subscription at any time. Please visit https://services-store.citroen.co.uk/ to subscribe.

** WLTP figures shown are for comparison purposes and should only be compared to the fuel consumption and CO_2 values of other vans tested to the same technical standard. The fuel consumption achieved, and CO_2 produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO_2 figures. The CO_2 figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification.

* The range and electric consumption figures mentioned comply with the WLTP test procedure, on the basis of which new vehicles are type approved from 1st September 2018.

They may vary depending on actual conditions of use and on different factors including (but not limited to):
- speed
- thermal comfort on board the vehicle
- driving style
- outside temperature.

The charging time depends in particular on the power of the charger on board the vehicle, the charging cable and the type and power of the charging station used.

Electric information at your fingertips

The driver's display behind the steering wheel provides battery charge status and there's a range of additional information via the 10 inch central touchscreen.

octopus energy

Everything you need to charge

Citroën have partnered with Octopus Energy to provide everything you need for your new Citroën ë-Berlingo, including a tariff, charger and a solution for charging on the go making owning an electric vehicle easier and hassle-free. **Click here for more information.**

(1) Without driver. Kerb weight is calculated for a European base specification vehicle including oil, water, lubricants, tools, spare wheel and 90% full fuel tank. Weights may change with the addition of equipment.

(2) Maximum indicative payload is calculated as the difference between GVW and kerb weight. However, due to manufacturing tolerances and differences in the specification of UK vehicles, the mass in service figure provides a closer indication of the vehicle weight and therefore enables a more realistic payload to be calculated. An individual vehicle must be weighed to establish the exact kerb weight and payload applicable to that vehicle. It is the responsibility of the driver to ensure the vehicle is operated within the legal limits.

(3) Within limits of GVW.

(4) Maximum recommended towing weight within limits of GTW.

Dimensions

Exterior Dimensions

Panel Van & Crew Van		
(mm)	M	XL
Wheelbase	2785	2975
Overall length	4403	4753
Overall height	1796 - 1860	1812 - 1860
Width (excluding door mirrors)	1848	
Width (including door mirrors)	2107	
Front overhang	892	
Rear overhang	726	886
Minimum Ground Clearance	145 (1A Low Payload) 160 (1C High Payload)	160
Minimum Ground Clearance (with Worksite Pack)	175 (1A Low Payload) 182 (1C High Payload)	175

Dimensions of doors

Panel Van & Crew Van		
(mm)	M	XL
Min. width of side sliding door	641	
Max. width of side sliding door	675	
Max. load height of side sliding door	1072	
Max. width of rear opening	1241	
Load width at floor of rear opening	1241	
Load width at top of rear opening	1087	
Maximum load height of rear opening	1196	

Interior Dimensions

Panel Van		
(mm)	M	XL
Load length at mid-height	1525	1875
Load length at floor (without EXTENSO® seat folded if applicable)*	1817	2167
Load length at floor (with EXTENSO® seat folded if applicable)*	3090	3440
Load width between wheel arches	1229	
Max. load width	1527	
Max. load height	1200	1270
Load volume m^3 (without EXTENSO® seat folded if applicable)	3.3	3.9
Load volume m^3 (with EXTENSO® seat folded if applicable)	3.8	4.4
Rear sill load height min to max	547 - 588	560 - 569
Rear sill load height min to max (with Worksite Pack)	601 - 625	604 - 617

Note: Measurements quoted are based on a non ply van delivered from the factory.

*Load length at floor along centre is impacted by rear door locking mechanism (by approximately 60mm)

Crew Van	
(mm)	XL
Load length at floor (without rear seats or passenger seat folded)	1450
Load length at floor to bulkhead (with rear seats folded and bulkhead in forward position)	2000
Load length at floor to front of cab (rear seats & passenger seat folded and load-through bulkhead open)	3050
Load width between wheel arches	1229
Max. load width	1527
Max. load height	1243
Load volume m^3 (without rear seats or passenger seat folded)	1.8
Load volume m^3 (rear seats folded & bulkhead in forward position)	3.5
Load volume m^3 (rear seats & passenger seat folded and load-through bulkhead open)	4.0
Rear sill load height min to max	560 - 569

NEW CITROËN Ë-BERLINGO
& BERLINGO VAN

Citroën & You

A network of Citroën Van Retailers, Authorised Repairers and Parts Distributors are equipped and trained to meet the needs of today's Citroën customer.

Retailers can offer advice on vehicle funding; via Leasys with packages such as Contract Hire, Finance Lease or Lease Purchase for Business Users, or via Citroën Financial Services with Hire Purchase or Citroën Personal Contract Purchase for Retail buyers.

In addition Authorised Repairers have a team of technicians skilled in the care and maintenance of Citroën products.

Delivery and number plates

There is a standard charge for delivery with number plates as follows:

Citroën Berlingo & Berlingo Van, Dispatch and Relay: **£995 exc. V.A.T. (£1,194 inc. V.A.T.)**

These prices are exclusive of Vehicle Excise Duty and the Government First Registration Fee. Where delivery is not made to the customer at the Retailer's premises, a further charge may be made at the Retailer's discretion.

Vehicle Excise Duty

V.E.D. rate for all commercial vehicles up to and including 3,500kg G.V.W.: **£335**
V.E.D. rate for all commercial vehicles above 3,500kg G.V.W.: **£165**
V.E.D. is not applicable to electric versions

Vehicle conversions

Conversions of vehicles supplied by Citroën UK are carried out by independent companies to suit the needs of individual customers. In all cases, the converter company is responsible for:

- Ensuring that the converted vehicle conforms to all legislation in force at the time
- The suitability of the conversion carried out, in agreement with the customer
- The quality of design and workmanship of the conversion
- Claims under guarantee relating to the conversion

Citroën UK Ltd does not accept any liability whatsoever and howsoever incurred in respect of the works carried out by such independent companies, and customers must assure themselves of the suitability, quality and legal conformity of such conversion works.

Citroën Fleet and Business sales

All Citroën New Van Retailers are dedicated to meeting the specialist needs of both the fleet and business buyer. Their comprehensive service can include advice on important business vehicle decisions, such as alternative acquisition methods, disposal of existing vans, priority servicing and much more. In short, their expertise aims to provide a 'total transport solution' for all your fleet or business vehicle needs.

For more information on Citroën fleet and business sales please contact your local Citroën Retailer or click here

Leasys

Leasys is the proud Business Contract Hire partner of Citroën and consequently, can provide quick vehicle delivery to keep your business mobile.

Specialised in Medium to Long-Term Leasing options and Fleet Management solutions for businesses of all sizes, Leasys lead mobility by offering sustainable and innovative solutions designed around customers, for a best-in-class experience. Their team of experts can personally support you and provide dedicated consultation.

Leasys is equally owned by Stellantis and Crédit Agricole Consumer Finance and is a member of the British Vehicle Rental and Leasing Association (BVRLA).

For further information, please contact your local Citroën Retailer or **Click here**.

Comprehensive Warranty

Every new Citroën van offers the benefit of a three year* warranty package, plus a five year anti-perforation** warranty and a two year paint warranty.

In addition, the ë-Berlingo, ë-Dispatch and ë-Relay offer a manufacturer's battery warranty of eight years/100,000 miles up to 70% charging capacity.

* Two years' unlimited mileage manufacturer's warranty. No-fee customer option of one year's Retailer provided warranty, only on vehicles sourced from Citroën UK Limited. Note: Retailer provided warranty is limited to 100,000 miles for all commercial vehicles including motorhomes and other converted vehicles.

** Against all internal to external perforation to bodywork or underbody on condition the van undergoes an inspection by a Citroën franchised Retailer on its second and fourth anniversaries.

Citroën Assistance

In response to a free telephone call in the UK, Citroën Assistance brings rapid expert roadside assistance to you in an emergency.

It comes free of charge for a full year, from date of vehicle registration, and operates 24 hours a day in all parts of the UK and Europe. Services include nationwide recovery for both van and passengers, a home call service, replacement vehicle, hotel accommodation and vehicle storage if required. You can also purchase additional Citroën Assistance via your local Citroën Retailer at any time. Please note, Citroën Assistance only applies to incidents covered by the new vehicle warranty, and excludes non-vehicle faults, such as running out of fuel, mis-fuelling, loss of keys, lock-ins, road traffic accidents and punctures/wheel changes.
ë-Berlingo, ë-Dispatch and ë-Relay comes with a free of charge three year Citroën Assistance starting from the date of registration.

For more details please click here

Servicing

Available up to one year from your vehicle's registration date, but before its first chargeable service, a Citroën Servicing package enables you to pay in advance for:

- Scheduled Servicing†
- Annual Service(s)† for vehicles with a two year service plan
- Brake Fluid Replacement†

This package can be personalised depending on your needs, with options ranging from 12 to 60 months and 10,000 to 100,000 miles.

† As outlined in your vehicle's Maintenance & Warranty Guide.

Maintenance

For a single fee or low monthly payments, you can put yourself in control of your maintenance costs. Depending on your needs, you can choose from a package that covers you between 12 and 48 months and between 10,000 and 150,000 miles and provides you with:

- Scheduled Servicing†
- Periodic Maintenance†
- Wear and Tear Cover – The replacement of friction materials such as brake pads, discs, wiper blades, clutch and other such items needed to keep you and your vehicle on the move
- Citroën Assistance, provided by the AA, includes: Roadside & At Home Assistance, Recovery, Onward Travel and European Cover
- MOT test fees

Why not add the following option to your chosen package:

- Replacement of worn tyres, including wheel balancing (includes puncture repairs)
- Replacement vehicle whilst yours is being serviced or MOT'd

Rest assured that all Maintenance and Servicing work will be carried out by qualified Citroën Technicians at any Citroën Authorised Repairer within the UK, using only Citroën Original Equipment and Approved Parts.

For further information, please contact your Citroën Retailer.

Citroën Motor Insurance

Citroën Insurance has been designed specifically for our vehicles. You don't just get repairs you get Citroën expertise, service, quality and parts. You see, where other insurers see a vehicle, we see a Citroën.

So, when the time comes to renew your insurance cover, call Citroën Insurance on 0370 024 2725. (Lines open 8am-8pm weekdays, 9am-5pm Saturdays)

Alternatively, visit www.citroen.co.uk for more information or to apply online.

Citroën Insurance policies are underwritten by U K Insurance Limited, Registered office: The Wharf, Neville Street, Leeds, LS1 4AZ. Registered in England & Wales No. 1179980. U K Insurance Limited is authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. Citroën Insurance is a trading style of PSA Finance UK Limited (company registration number: 01024322) having its registered office at 61 London Road, Redhill, Surrey, RH1 1QA.

Internet

Click here to visit the Citroën Website for full information on all Citroën products and offers available in the UK, together with details of our environmental and recycling policies. Or **click here** to contact Citroën directly. Alternatively, for further information, please contact your Citroën Retailer.

Citroën Connected Services

Vehicles equipped with the Citroën Connect box have an embedded SIM card.

This means that as well as safety features, Citroën drivers can subscribe to a range of connected services:

- Real Time Traffic and Speedcam alerts: with live data to enhance the Citroën Connect Nav system
- Remote access to lock or unlock the vehicle's doors from a smartphone
- E-remote Control: remote management of electric vehicle charging and temperature
- And much more!

Service availability depends on the hardware fitted on each vehicle. For more information **click here**.
