TRIM LEVEL Feel	included
ENGINE BlueHDi 100 S&S Manual	included

PERSONALISATION

£ 545.00 OTR

PAINTWORK Platinum Grey	£ 545.00 OTR
SEAT TRIM Green Mica Cloth	included
WHEELS 16" steel wheel with 'Twirl' trims	included

TOTAL

£ 22,110.00 OTR

TAXES

1ST YEAR VED (VEHICLE EXCISE DUTY)

£ 215.00 OTR

YOUR CONFIGURATION IN PHOTOS:

*The vehicle presented is an example only and may not match configured version. For petrol/ diesel models: The fuel consumption and CO2 emissions figures mentioned comply with the WLTP test procedure, on the basis of which new vehicles are type approved from 1 September 2018. This WLTP procedure replaces the European drive cycle (NEDC), which was the test procedure used previously. Due to more realistic test conditions, the fuel consumption and CO2 emissions measured under the WLTP are, in many cases, higher compared to those measured under the NEDC. The fuel consumption and CO2 emissions figures may vary depending on actual conditions of use and on different factors such as : specific equipment, options and class of tyres. Please contact your dealer for further information. For hybrid models: The fuel consumption, CO2 emissions and range figures mentioned comply with the WLTP test procedure, on the basis of which new vehicles are type approved from 1 September 2018. This WLTP procedure replaces the European drive cycle (NEDC), which was the test procedure used previously. Due to more realistic test conditions, the fuel consumption and CO2 emissions measured under the WLTP are, in many cases, higher compared to those measured under the NEDC. The fuel consumption, CO2 emissions and range figures may vary depending on actual conditions of use and on different factors such as : charging frequency, driving style, speed, specific equipment, options, class of tyres, outside temperature and thermal comfort on board the vehicle. Please contact your dealer for further information. For electric models: The range and electric consumption figures mentioned comply with the WLTP test procedure, on the basis of which new vehicles are type approved from 1 September 2018. They may vary depending on actual conditions of use and on different factors such as : speed, thermal comfort on board the vehicle, driving style and outside temperature. The charging time depends in particular on the power of the charger on board the vehicle, the charging cable and the type and power of the charging station used. Please contact your dealer for further information. For more information on WLTP visit: <https://www.citroen.co.uk/technology/wltp>

Equipment included in your version:

SAFETY & SECURITY

Safety Pack: Active lane keeping assistance, Speed limit recognition and recommendation and Active safety brake
