Your Need-to-Knows

This booklet has everything you need to know about your breakdown cover. But to make it easier to digest, we've pulled out some important bits below. Like what you need when you break down and how to keep your cover valid.

Broken down? You'll need to give us the details below

- Your name and vehicle registration number.
- The vehicle's make and model.
- Where you have broken down. This could be an address, the road name, or the motorway name and nearest junction.
- A number we can contact you on.

Reminders to support your breakdown cover

- > If you break down, always contact us and allow us to assess the situation. If you don't contact us before requesting services, you won't be covered.
- > Keep your vehicle roadworthy. You'll need valid tax, insurance and MOT or we won't be able to help if you break down.
- > We're here to help. But if we tell you about a fault or carry out a temporary repair, it's your responsibility to get it fixed. We won't attend repeat callouts for the same problem.
- > We can't guarantee how quickly we'll be able to get to you after you've reported a breakdown, but we'll always take your circumstances into account.
- > If you do break down in the UK, you'll be asked to read and sign a form that tells you what we found wrong with your vehicle and what you need to do. Please make sure you read and understand this.
- > Your breakdown cover doesn't cover vehicles over 4.5 tonnes. We also have length and width restrictions (max 6.4m long and 2.55m wide) as we can't tow vehicles bigger than this.

Making sense of your policy

We want our terms and conditions to be clear and easy to understand. To help with this, we use certain words in a specific way. We show the meaning of these words below. These definitions apply to all areas of your contract.

authorised repairer

This means a Citroën authorised repairer.

breakdown/break down/broken down

An event that happens during the time you're covered that stops the vehicle being driven. This must be because of a mechanical failure, like if your car won't start. Or an electrical failure, like loss of power. This also includes flat tyres. We don't consider it a breakdown if the vehicle can't be driven because of:

- a road-traffic collision
- fire, flood, theft
- acts of vandalism, or
- any driver-induced fault.

driver-induced fault

Any fault caused by the driver of the vehicle, accidentally or on purpose. It includes running out of fuel (or charge in an electric vehicle), running out of AdBlue in a diesel vehicle, filling your car / tank with the wrong fuel, losing or breaking your keys, locking your keys in your vehicle and tyre punctures (even if the vehicle is carrying a serviceable spare tyre)

home

Your permanent home in the UK.

passengers

The driver and any number of passengers (up the maximum number as legally permitted by the number of seats in your vehicle).

RAC/we/us/our

- This means RAC Motoring Services in:
 - Sections A
 - Included Benefits

Every time we say RAC/we/us/our, it can also mean any person who works for any of the companies above, or we've agreed can work on our behalf.

road-traffic collision

This is if you hit another vehicle or an object (for example, a lamppost or a tree) and damage your vehicle so it can't be driven. If changing your wheel will get you back on the road, we won't consider this a collision.

specialist resource

Resources or tools that our patrols don't usually carry. They may be needed to make a repair or recovery. It may mean a crane, tractor, locksmith, or lifting equipment.

UK

In this policy, UK means England, Scotland, Wales, Northern Ireland, Jersey, Guernsey, and the Isle of Man.

you/your

Anyone who is authorised to use the vehicle.

BREAKDOWN POLICY

How your policy works

- On pages 9-10 of this booklet, we have listed the conditions of this policy. These apply to everything in this booklet. For your cover to be valid, you must meet all these conditions.
- All breakdowns and requests for service must be made directly to us.

Policy type

- Service Activated Roadside Assistance is provided free of charge at the time of the purchase of a Scheduled or Menu Price Service by a participating authorised repairer, no matter the age of the vehicle, who's driving, or whether the vehicle has been re-sold.
- Cover is provided in the UK.
- This policy covers the vehicle, and the vehicle will be covered whoever is driving.

How long am I covered for?

Your policy starts on the day that your vehicle was serviced by an authorised repairer and lasts for 12 months.

This offer does not apply to vehicles already covered by an active Assistance plan but may be applied on expiry of the current policy up until then next scheduled service interval.

What vehicles am I covered in?

You are only covered for the Citroën vehicle. Service Activated Roadside Assistance does not cover you as a driver or a passenger in any other vehicle.

The vehicle has to be less than:

- a. 3.5 tonnes or 4.5 tonnes for light commercial vehicles
- b. 6.4 metres long, including a tow bar for assistance in the UK
- c. 2.55 metres

wide. It must also be

- a car or van (not a motorhome)
- registered in the UK and remain registered in the UK to retain cover
- insured and have valid road tax (not SORN)
- have a valid MOT (unless legally exempt)

IMPORTANT

If the vehicle you break down in lacks valid tax, MOT, or insurance, we won't attend. However, this doesn't apply if your vehicle is legally exempt from having an MOT or tax.

Section A – Roadside and At Home

Covered
<p>Whilst in the UK, if your vehicle breaks down, or cannot be driven due to a breakdown, driver-induced fault or road traffic collision, we'll:</p> <ul style="list-style-type: none">• send help to repair the vehicle at the roadside or at your home address – this could be a permanent or temporary repair; or• recover the vehicle and passengers to the nearest authorised repairer, or• recover an electric or hybrid vehicle and passengers to the nearest charge point, if the high voltage battery is completely flat – up to 3 times in any 12-month period
Not covered
<ul style="list-style-type: none">• The cost of any repairs, parts or specialist resource.• The fitting of parts, including batteries, supplied by anyone other than us.• Any breakdown that happens because of a fault we've looked at in the past:<ul style="list-style-type: none">a) that hasn't been properly repaired; orb) that we have temporarily repaired. It's your responsibility to get it fixed. We won't attend repeat callouts for the same problem.• Recovering an out of charge vehicle more than 3 times in any 12-month period.

Your policy conditions

The following conditions apply to all sections of this breakdown cover. If you don't keep to them, we can refuse cover or cancel your breakdown cover (or both).

1. **Direct request for services** You must request services directly from us. We'll only provide cover if we've arranged or authorised your services.
2. **Callout to avoid repair cost** If we have reason to think you have called us out to avoid the cost of repairing your vehicle, or to correct a repair that's been tried by someone else, we won't provide cover.
3. **Driver with the vehicle** The driver and passengers must be with the vehicle when we attend. If they are not in attendance, we won't be able to provide service.
4. **Vehicle contents** Don't leave valuables in the car. We can't cover any loss or damage to the vehicle's contents.
5. **Under-16s** If we need to recover passengers under the age of 16, they must be accompanied by an adult.
6. **Animals** The only animals allowed in RAC vehicles are assistance dogs. However, if your vehicle needs to be recovered, animals can stay in your vehicle at your own risk. Or we'll do our best to find an alternative way to transport them. We won't be liable for any injury to animals, or damage they cause. We do not transport livestock. We're not responsible for any costs relating to animals.
7. **Roadworthiness** If we repair your vehicle, we're responsible for that repair but this doesn't mean we're confirming the vehicle's legal and roadworthy condition. This is your responsibility.
8. **Uninsured losses** We won't be responsible for any losses after a breakdown that aren't listed in this breakdown cover. For example, we won't pay for any loss of earnings or missed appointments.
9. **Reporting a breakdown** Requests for assistance made more than 24 hours after the breakdown may be refused.
10. **Passengers** The vehicle must not carry more passengers than the number stated in the vehicle's Registration Document. Each passenger must have a separate fixed seat fitted to the manufacturer's specification.
11. **Attendance times** We can't guarantee how quickly we'll be able to get to you after you've reported a breakdown, but we'll always try to take your circumstances into account. The estimated times we give you may change because of things outside of our control, including traffic, accidents, and weather. If we think it's the best solution for you, we may send one of our trusted partners to help you.

12. **Breakdowns on motorways or dual carriageways** If an emergency service, local authority, or any government agency handles your breakdown – for example, a breakdown on a live lane of a motorway - we'll only attend and offer recovery if we've been asked to by them.
13. **Choice of options** If you report a breakdown, there may be more than one option available to you. Based on our experience and expertise, we'll recommend what we think is the best option. We'll always discuss your options with you clearly.
14. **Garage Repairs** We won't take responsibility for the repairs done by a garage or repairer. Any acts or omissions are their responsibility. The contract for repairs will be between you and the garage/repairer.
15. **Event outside of our control** events outside our control may stop us being able to offer you our service as usual. For example, terrorist acts, pandemics or epidemics, extreme weather, industrial disputes, wars, or riots. If this happens, we'll take steps to make sure we can offer you the best service possible.
16. **Specialist resources** Your breakdown cover doesn't cover:
- a. specialist resource. For example, if you've lowered your suspension and we need special lifting equipment to move your vehicle onto our ramp.
 - b. damage to glass, even if the damage means you can't legally or safely drive. We'll arrange transport to a local garage so you can get your vehicle fixed, but you'll have to pay for the repair.
 - c. tolls, ferries or congestion charges for your vehicle, or our vehicle
 - d. spare tyres and wheels – neither repairing or sourcing them.
17. **Other things not covered** This breakdown cover doesn't include:
- a. routine servicing, maintenance, or assembly of your vehicle

 - d. breakdown owing to the intended original destination being closed or inaccessible
