CITROËN ë-C4 X & C4 X

| Nothing moves us like Citroën

ë-C4 X & C4 X join the latest generation of the Citroën car family, providing a distinctive and elegant alternative to conventional medium-sized hatchbacks and SUVs.

At 4.6 metres long, its distinctive profile gives the impression of leaping forwards. At the rear, elegant LED lights complement those at the front.

Insurance groups (1-50) are an indication only, please consult your insurance company for further details.

CO₂ figures, P11D values, BIK% and MRRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BIK%. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the amount of Benefit in Kind (BIK) tax payable.

For further information on CO₂ and pricing for vehicles with optional equipment, please visit <https://www.citroen.co.uk/configurator.html>

+ Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load.

The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures.

* 'On the Road' MRRP includes registration plates and delivery to retailer (including VAT), 12 months' Vehicle Excise Duty and new vehicle registration fee of £55. Excludes fuel and insurance.

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of, but not limited to, any changes in legislation and/or any changes by the Government). Please see our Prices and Specifications brochures or contact your local Citroën retailer for the most up-to-date prices and specification details for all models.

Ease of charging

Battery charging at home, work or at a public charging station is intuitive and easy thanks to indicator lamps on the charging flap which lets you monitor progress.

Equipment

- Standard equipment
- Optional factory fitted equipment

Option availability varies according to version/engine/trim level.
Some options are only available as part of a pack.

	YOU!	PLUS	MAX	ë-series
Electric vehicle features				
Mode 3 charging cable with Type 2 connectors – for accelerated charging from wall boxes and dedicated public charging points	•		•	•
Heat Pump – controls vehicle temperature more efficiently and can increase real-world achieved range, particularly in colder conditions	•		•	•
7.4 kW single-phase onboard charger	•		•	•
Remote temperature pre-conditioning (requires eRemote Control service subscription - 1 year free trial as part of Connect PLUS pack)	•		•	•

Safety and security				
Puncture repair kit with compressor	•	•	•	•
ABS	•	•	•	•
ESP	•	•	•	•
Hill Start Assist	•	•	•	•
Tyre under-inflation detection	•	•	•	•
Citroën Connect Box Emergency and Assistance System	•	•	•	•
"Seatbelt unfastened on the move" warning	•	•	•	•
Front seatbelt pretensioners	•	•	•	•
Driver and front passenger airbags	•	•	•	•
Row 1 side thorax airbags	•	•	•	•
Row 1 and 2 curtain airbags	•	•	•	•
Manual deactivation of front passenger airbag possible	•	•	•	•
Anti-theft alarm (volumetric protection)		•	•	•
Remote locking with deadlocks	•	•	•	•
Two remote keys	•	•	•	•
Keyless Entry and Start (also standard on ë-C4 X Electric YOU! versions)			•	•
Manual child lock in second row	•	•	•	•
Standard Safety Pack – Active Safety Brake (video assisted), Speed Limit Information with Intelligent Speed Assist, Lane Keeping Assist, Driver Attention Alert 3 with lane departure detection, Forward Collision Warning	•	•		
Safety Pack Plus – Advanced Active Safety Brake (video + radar assisted - night-time and cyclist detection), Speed Limit Information + Extended Traffic Sign Recognition, Driver Attention Alert 3 with lane departure detection, Forward Collision Warning			•	•
Speed limiter and cruise control	•	•	•	•

	YOU!	PLUS	MAX	ë-series
Adaptive Cruise Control with Stop & Go			•	
Highway Driver Assist (incorporates Adaptive Cruise Control)				•
Blind Spot Detection			•	•
In-crash braking	•	•	•	•

Lighting and visibility				
LED front headlights	•	•	•	•
LED front fog lamps with static cornering function	•	•	•	•
Welcome and goodbye lighting (illuminates front headlamps on remote unlocking and for limited time after locking)	•	•	•	•

Style – Exterior				
18 inch diamond-cut Crosslight alloy wheels with anti-theft locking wheel nuts (electric versions)	•		•	
18 inch Onyx Black Aeroblade alloy wheels with anti-theft locking wheel nuts				•
18 inch bi-tone painted Aeroblade alloy wheels with anti-theft locking wheel nuts (petrol/hybrid versions)	•	•		
18 inch bi-tone diamond-cut Aeroblade alloy wheels with anti-theft locking wheel nuts (petrol/hybrid versions)			•	
LED front headlamps	•	•	•

Safety and security				
Safety Pack Plus – Active Safety Brake with video and radar assistance (functions at night; detection of cyclists), Extended traffic sign recognition	£250	£250		

Electric charging options				
11 kW three-phase onboard charger - offers faster charging only where three-phase power is available¹	£300		£300	£300

Highway Driver Assist

This semi-autonomous driving system combines the Adaptive Cruise Control with Stop & Go function and a system which keeps the vehicle in its lane.

1 Offers faster charging only where three-phase power is available. We do not recommend this option unless you intend to charge your ë-C4 X primarily from a source connected to three-phase power (unlikely if a home charge point). Using this charger in conjunction with a single-phase power source will not offer any improvement in charging time over the 7 kW onboard charger.

Colours

Body colours

Okenite White (M)

1. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors: (including but not limited to) the accessories fitted (pre and post registration), variations in weather, driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. These CO₂ figures are used to calculate the Vehicle Excise Duty (VED) for the first registration of the vehicle. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification.

Performance with care for the environment

With its sophisticated and technologically advanced range of engines, Citroën is well placed to reconcile performance with low taxation levels and reduced environmental impact.

Today more than ever, this means that when choosing a Citroën vehicle you are guaranteed access to superb value for money motoring.

For example, the Citroën C3 Origin MAX, when specified with the PureTech 110 S&S 6-speed manual engine produces only 123g/km of CO₂ and therefore qualifies for the G band of Vehicle Excise Duty.

Company Car Benefit-In-Kind Taxation Charges

The Company Car Benefit-In-Kind Taxation charge is based upon the type of fuel used, and the level of CO₂ emissions, measured in grams per kilometre (g/km). The table below shows the percentage of the car's list price to be taxed (P11d value†).

For example a New Citroën C5 Aircross MAX BlueHDi 130 S&S EAT8 has a CO₂ emissions figure of 144g/km and a P11d figure of £30,400.00.

The BIK value would therefore be 33% x £30,400.00 = £10,032.00.

More information about the Company Car Benefit-In-Kind Taxation Charges can be found on: www.citroen.co.uk/fleet-and-business/citroen-business or by contacting Citroën Fleet Connect on 0800 023 4000.

2024–2025 Tax Year:

CO ₂ (g/km)	Electric Range (miles)	Appropriate % for 2024 to 2025†
0	N/A	2
1 to 50	130+	2
1 to 50	70 – 129	5

Graduated Vehicle Excise Duty (Road Fund Licence)

The Graduated V.E.D. bands classify all new cars into one of thirteen Vehicle Excise Duty bands, depending on their type of fuel and carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). There are two V.E.D. rates, a rate for the first year and a rate for subsequent years.

First license rates for cars registered on or after 01/04/24 based on CO₂ emissions and fuel type:

Band	CO ₂ (g/km)	Petrol/Diesel car* (tax class 48 and 49)	Alternative fuel car (tax class 59)
12 months			
A	0	£0.00	£0.00
B	1-50	£10.00	£0.00
C	51-75	£30.00	£20.00
D	76-90	£135.00	£125.00
E	91-100	£175.00	£165.00
F	101-110	£195.00	£185.00
G	111-130	£220.00	£210.00
H	131-150	£270.00	£260.00
I	151-170	£680.00	£670.00
J	171-190	£1,095.00	£1,085.00
K	191-225	£1,650.00	£1,640.00
L	226-255	£2,340.00	£2,330.00
M	Over 255	£2,745.00	£2,735.00

† The new Car's price to be taxed includes:

- Manufacturer's Recommended Retail Price (inc V.A.T.)
- Delivery to Retailer and Number Plates (inc V.A.T.)
- The list price of an option or an accessory (inc V.A.T. plus delivery and fitting charges if relevant). Some exceptions apply but excludes:
- Graduated Vehicle Excise Duty
- Government First Registration Fee

* Diesel cars tested to RDE2 standards.

** Diesel cars tested to RDE standards.

Citroën & You

A network of Citroën New Car Retailers, Authorised Repairers and Parts Distributors are equipped and trained to meet the needs of today’s Citroën customer.

Retailers can offer advice on vehicle funding; via Citroën Contract Motoring with packages such as Contract Hire, Finance Lease or Lease Purchase for Business Users, or via Citroën Financial Services with Hire Purchase or Citroën Personal Contract Purchase for Retail buyers.

In addition Authorised Repairers have a team of technicians skilled in the care and maintenance of Citroën products.

Citroën Personal Lease

Personal Lease is an alternative way to enjoy a new Citroën without the cost of ownership. Instead of owning the car, you rent it for a fixed period and then return it to your local retailer where you can exchange it for a brand new one.

You set your preferred contract terms and anticipated annual mileage. With leasing which can be arranged for a period up to 4 years, Personal Lease offers you an alternative method of funding your new Citroën. One initial bulk advance rental will be required. This is between 14%–16% of the ‘On the Road Recommended Retail Price’ plus any advance rental contribution from Citroën UK.

Excess mileage charges may apply if the agreed annual mileage is exceeded. Citroën contribution on selected models only. Payment of the optional final rental extends the rental term (this does not transfer title of the vehicle) & requires an annual rental equivalent to one month’s rental. All based on a 36 month contract with an annual mileage set at 6,000 miles on C1, C3, C3 Aircross, Berlingo and 8,000 miles on all other models. All rentals inclusive of VAT. Finance subject to status. Over 18s only. Finance provided by and written quotations available on request from PSA Finance UK Limited (company registration number: 01024322) having its registered office at 61 London Road, Redhill, Surrey, RH1 1QA. PSA Finance UK Ltd is authorised and regulated by the Financial Conduct Authority.

Citroën Fleet and Business Sales

All Citroën New Car Retailers are dedicated to meeting the specialist needs of both the fleet and business buyer. Their comprehensive service can include advice on important business vehicle decisions, such as alternative acquisition methods, disposal of existing cars and vans, priority servicing and much more. In short, their expertise aim to provide a ‘total transport solution’ for all your fleet or business vehicle needs.

If you would like to contact Citroën direct for further information, please call Citroën Fleet Connect on 0800 023 4000.

Full details available on request. Credit subject to status and to over 18s only. A guarantee may be required. Finance provided by and written quotations available on request from PSA Finance UK Limited (company registration number: 01024322) having its registered office at 61 London Road, Redhill, Surrey, RH1 1QA. PSA Finance UK Ltd is authorised and regulated by the Financial Conduct Authority. Telephone calls may be recorded or monitored for training or quality purposes.

Leasys

Leasys is the proud Business Contract Hire partner of Citroën and consequently, can provide quick vehicle delivery to keep your business mobile.

Specialised in Medium to Long-Term Leasing options and Fleet Management solutions for businesses of all sizes, Leasys lead mobility by offering sustainable and innovative solutions designed around customers, for a best-in-class experience. Their team of experts can personally support you and provide dedicated consultation.

Leasys is equally owned by Stellantis and Crédit Agricole Consumer Finance and is a member of the British Vehicle Rental and Leasing Association (BVRLA).

For further information, please contact your local Citroën Retailer or [Click here](#).

Comprehensive Warranty

Every new Citroën car offers the benefit of a three year* warranty package, plus a 12 year anti-perforation** warranty and a three year paint warranty.

Modern car batteries themselves are largely free of maintenance as they’re designed to last the lifetime of the car, or even longer. For added peace of mind, Citroën electric cars come with a warranty that guarantees 70% battery capacity for 100,000 miles or eight years.

* Two years’ unlimited mileage manufacturer’s warranty. No-fee customer option of one year’s Retailer provided warranty, only on vehicles sourced from Citroën UK Limited. Note: Retailer provided warranty is limited to 60,000 miles for all passenger vehicles.

** Against all internal to external perforation to bodywork or underbody on condition the car undergoes an inspection by a Citroën franchised Retailer every two years from its fourth anniversary.

Extending Your Warranty

For continued peace of mind, you can extend your warranty beyond the end of Citroën’s manufacturer warranty with a Citroën Extended Warranty, providing your Citroën is less than 3 years old and has covered less than 60,000 miles.

Citroën Assistance

In response to a free telephone call, Citroën Assistance brings rapid roadside support to you in the event of a breakdown.

For new vehicles, cover comes free of charge for a full year, from the date of your vehicle’s registration. Cover is operational 24 hours a day in all parts of the UK and Europe. Within the first twelve months, the following services are in force: Citroën Roadside Assistance, Citroën Recovery, Citroën Assistance From Home, Citroën Onward Travel, Citroën European Cover. Services include nationwide recovery for both the vehicle and passengers, a home call service, replacement vehicle and hotel

accommodation. Cover includes manufacturing defects only. Citroën Assistance is available to be purchased for vehicles in their 2nd and 3rd years, for a one-off up-front payment and includes European cover. For new fully electric vehicles, Citroën Assistance cover comes free of charge for three years from the date of your vehicle’s registration.

Full details are available on request from Citroën UK, [click here](#).

Servicing

When your vehicle is due for a service you need just the right mix of unique expertise, surprising value and real convenience. With the Citroën Care Plan that’s exactly what you get.

- Scheduled Servicing†
- Brake Fluid Replacement†

Better still, you get the unique reassurance of our Citroën Price Promise that guarantees all work is carried out by trained technicians using only Citroën Approved Parts. You will also benefit from a FREE 22 point vehicle health check and FREE technical updates.

† As outlined in your vehicle’s Maintenance & Guarantee Guide. Less than 12,000 miles per annum usage profile, terms and conditions apply. Contact your local Citroën Retailer for details

Maintenance

For a single fee or low monthly payments, you can put yourself in control of your maintenance costs. Depending on your needs, you can choose from a package that covers you between 12 and 48 months and between 10,000 and 150,000 miles and provides you with:

- Scheduled Servicing†
- Periodic Maintenance†
- Wear and Tear Cover – The replacement of friction materials such as brake pads, discs, wiper blades, clutch and other such items needed to keep you and your vehicle on the move
- Citroën Assistance, provided by the AA, includes: Roadside & At Home Assistance, Recovery, Onward Travel and European Cover

- MOT test fees

Why not add the following option to your chosen package:

- Replacement of worn tyres, including wheel balancing (includes puncture repairs)
- Replacement vehicle whilst yours is being serviced or MOT’d

Rest assured that all Maintenance and Servicing work will be carried out by qualified Citroën Technicians at any Citroën Authorised Repairer within the UK, using only Citroën Original Equipment and Approved Parts.

For further information, please contact your Citroën Retailer.

Citroën Motor Insurance

Citroën Insurance has been designed specifically for our vehicles. You don’t just get repairs you get Citroën expertise, service, quality and parts. You see, where other insurers see a vehicle, we see a Citroën.

So, when the time comes to renew your insurance cover, call Citroën Insurance on 0370 024 2725. (Lines open 8am-8pm weekdays, 9am-5pm Saturdays)

Alternatively, [click here](#) for more information or to apply online.

Citroën Connected Services

Vehicles equipped with the Citroën Connect box have an embedded SIM card.

This means that as well as safety features, Citroën drivers can subscribe to a range of connected services:

- Real Time Traffic and Speedcam alerts: with live data to enhance the Citroën Connect Nav system
- Remote access to lock or unlock the vehicle’s doors from a smartphone
- E-remote Control: remote management of electric vehicle charging and temperature
- And much more!

Service availability depends on the hardware fitted on each vehicle. For more information [click here](#).
